- 26.2 A boat is entirely responsible for her own safety, whether afloat or ashore and nothing, whether in the Notice of Race or the Sailing Instructions or anywhere else, reduces this responsibility. In this paragraph and the following paragraphs, wherever the context so permits, 'boat' includes the helm and their parents or guardians.
- 26.3 It is for the boat to decide whether she is fit to sail in the conditions in which she will find herself. By launching or going to sea, the boat confirms that she is fit for those conditions and that her helm is competent to sail and compete in them.
- 26.4 Nothing done or omitted to be done by the organisers can reduce the responsibility of the boat nor will make the organizers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing or other parts of the event. The organisers encompass everyone helping to run the events and their associated activities, afloat or ashore and include the Organising Authority, the Race committee, the race officers, safety vessels, support boats and beach masters.
- 26.5 The provision of safety vessels does not relieve the boat of its responsibilities.
- 26.6 The Race Committee may hold a boat ashore, or require a boat to go ashore at any time when afloat, whether racing or not, if it considers that:
  - (a) The boat, the equipment or the clothing of the helm, or
  - (b) The physical condition of the helm is not adequate for the conditions.

## **27. INSURANCE**

- 27.1 Each participating boat shall be insured with valid third-party liability insurance with a minimum cover of not less than AUD\$5,000,000.00 (recommend AUD\$10,000,000.00) per incident or the equivalent.
- 27.2 All owners/competitors that enter the event are deemed to have made a declaration that they hold such cover. Owners/competitors not holding this cover shall withdraw their entry. The skipper of each boat must be able to display proof of cover if requested to do so.
