

**Amendment #1 to Sailing Instructions – Waszp, Moth & IQ Tasmanian Championships:
Section 8**

8 GRAND PRIX FINISH

8.1 The finishing line is between the staff displaying a blue flag on the Start / Finish Vessel and the Finish mark.

8.2 When the leading boat rounds mark 2p for the final time, the Start / Finish Vessel will display the finish flag and their respective class flag with a sound signal. The class flag displayed beside the finish flag on the Start / Finish Vessel will be removed at the end of the finishing window time limit for that class or when all boats have finished.

8.3 All boats that:

- 8.3.1 Have completed a lap before the Finish flag & class flag is displayed, but then fail to finish while they are displayed, or
 - 8.3.2 Cross the finishing line while the Finish flag and class flag is displayed, shall be deemed to have finished irrespective of the number of laps they have completed. Their positions in the race will be based on the order when they either completed their last lap or finished, with those having completed more laps finishing ahead of those with fewer laps. This changes RRS 28.1 and A4
- 8.4 [DP] When the Finish flag and class flag is displayed, all boats on a downwind leg shall round mark 2p and sail to the finishing line. Boats that round mark 2p when the Finish flag and their respective class flag is displayed, shall not attempt a further lap.
